QUALITIES

Dedicated

Flexible

Innovative

Open-minded

Team Oriented

Task Driven

My dedication to work motivates me to grow and has led me to exceptional projects and experiences. I live by treating others the way I would want to be treated. I always strive to be positive, energetic, cheerful, and caring.

WORK EXPERIENCE

DECK ELECTRICIAN

The Illusionists Magic of the Holidays, November 2023-December 2023

The Illusionists was a touring show. Responsibilities for this tour included maintaining electrical connections, organizing cables to facilitate load-ins and loadouts, and leading groups of at least 15 electricians to assemble and hang lighting fixtures.

LIGHTING TECHNICIAN/ DESIGNER

Bunn DJ Company, Charleston SC, March 2023-Present

I unload and load equipment, design lighting setups to best fit the event space, and facilitate an event's setup by hanging or placing lights.

PRODUCTION CREW

Real Eyes Productions, Charleston SC, March 2023

This job was a three-day live event load-in and load-out. The event was an award ceremony for a local technology company. With the setup of 7x14 ft screens, projectors, drapery, lights, audio, and electricity.

PRODUCTION ASSISTANT

UNC School of the Arts, Winston-Salem NC, March 2023

This one-day shot was shooting for a short film called "Where is Happy?"

LIGHTING TECHNICIAN/ PRODUCTION ASSISTANT

FireTower Media LLC. Charlotte NC, March 2023

A one-day corporate commercial shoot about the Blu South residential complex. In charge of running errands and assisting the lighting designer with scrim and light setups.

EVENT SERVER/ BARTENDER

North Corner Haven, Lancaster SC / October 2022- November 2022

I was a server for private events. I was also a bartender at a wedding they were hosting.

PRODUCTION ASSISTANT

*The Engagement Plan, Filmpool Films LLC, Notting Hill LLC, Rock Hill, SC
September 2022 - October 2022*

While filming, my job was to *maintain* a bright cheerful attitude. I maintain smooth operation while facilitating the needs of the electrics, set, and camera departments.

FABRICATOR/PAINTER

Breakthrough Productions, Mooresville, NC /July 2022- September 2022

Assemble structures, create painting samples, prime, and paint (solid and textured designs).

INTERN

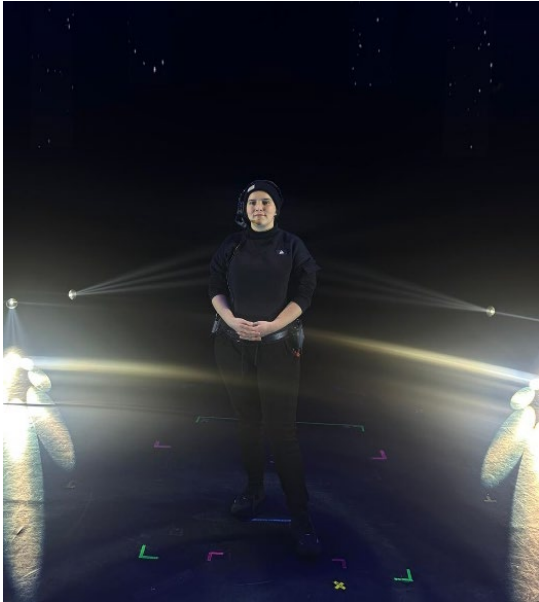

The River Place, Fort Mill, SC / March 2022- March 2022

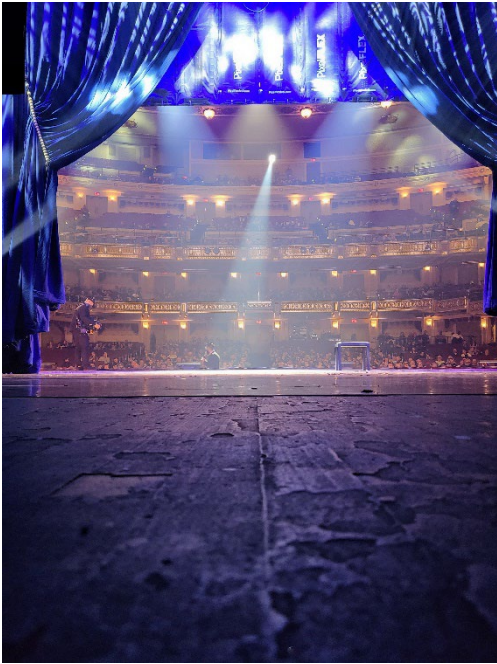

Helped make a music video, operated camera, and script supervisor.

EVENT STAFF

Innovative Events Services, North Charleston, SC / May 2019 - Aug 2019

Loaded and unloaded equipment, set up light and sound equipment, and facilitated an event's setup.

ADDITIONAL SKILLS

- Proficient with Adobe programs (Premier Pro, Illustrator, Photoshop, and InDesign)
- Proficient use of Microsoft programs
- Proficient with Power tools, construction equipment, and lamination experience.
- Expert in Painting (acrylic, latex, watercolor).
- Novice with Allen and Heath iLiveT Audio Mixer
- Advanced experience with Canon XA30's cameras
- Advanced experience with Colortran (36 dimmer lighting system)
- Training with Grand MA lighting board system
- Fly system operation experience
